Life Event

What's on your mind?

Director at futurespace

2009 to present

Studied Bachelor of Arts at RMIT University

Lives in Sydney, Australia

Married to Stephen Minnett

From Melbourne, Victoria, Australia

Born on October 6, 1976 (38 years old)

Angela Ferguson shared Bondi Hipsters's post.

9 mins · 👤 ▾

Bondi Hipsters

Vipassana = 10 days of silent mediation, only to come home and not shut the fuck up about it.

#meditation #spirituality #vipassana

A vertical garden wall covered in various green plants, including ferns and grasses. The word "Google" is prominently displayed in the center, rendered in large, copper-colored, three-dimensional letters. The letters are cut out, allowing the greenery behind them to be visible. The lighting is bright, highlighting the textures of the plants and the metallic sheen of the letters.
