

The bug hunt is on

Getting more people involved
with testing

@BugHunterSam

Questions?

**YOUR CUSTOMERS WON'T RAVE
ABOUT YOUR PRODUCTS TO THEIR
FRIENDS IF THEY THINK IT'S SHIT**

<https://samanthaconnelly.com/why-bother-testing/>

Bug Bashes

1-2 hour meeting

Mix of people

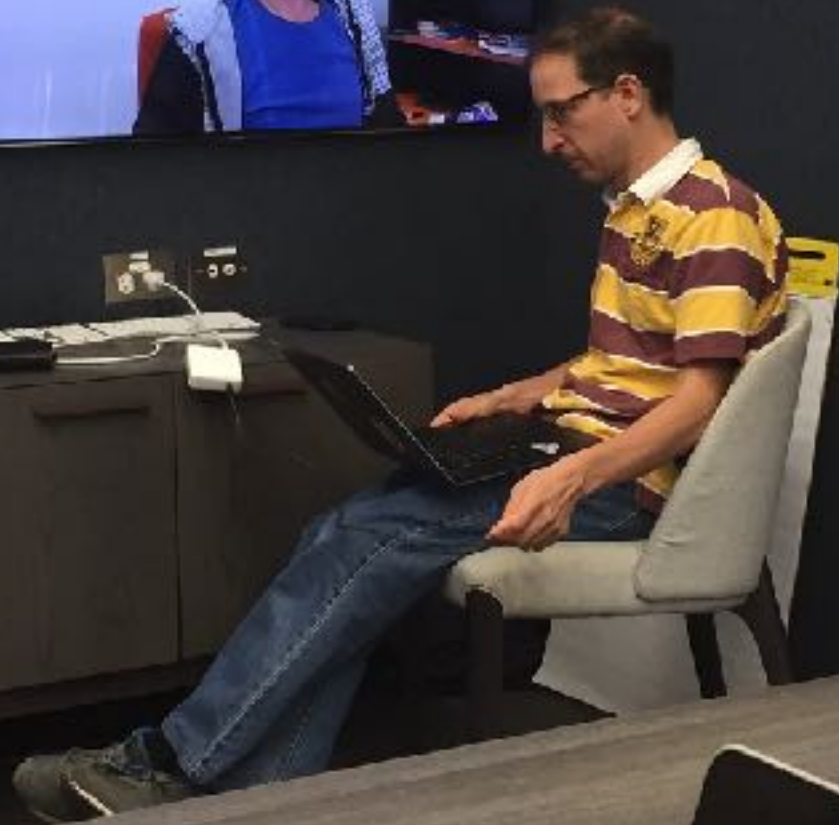

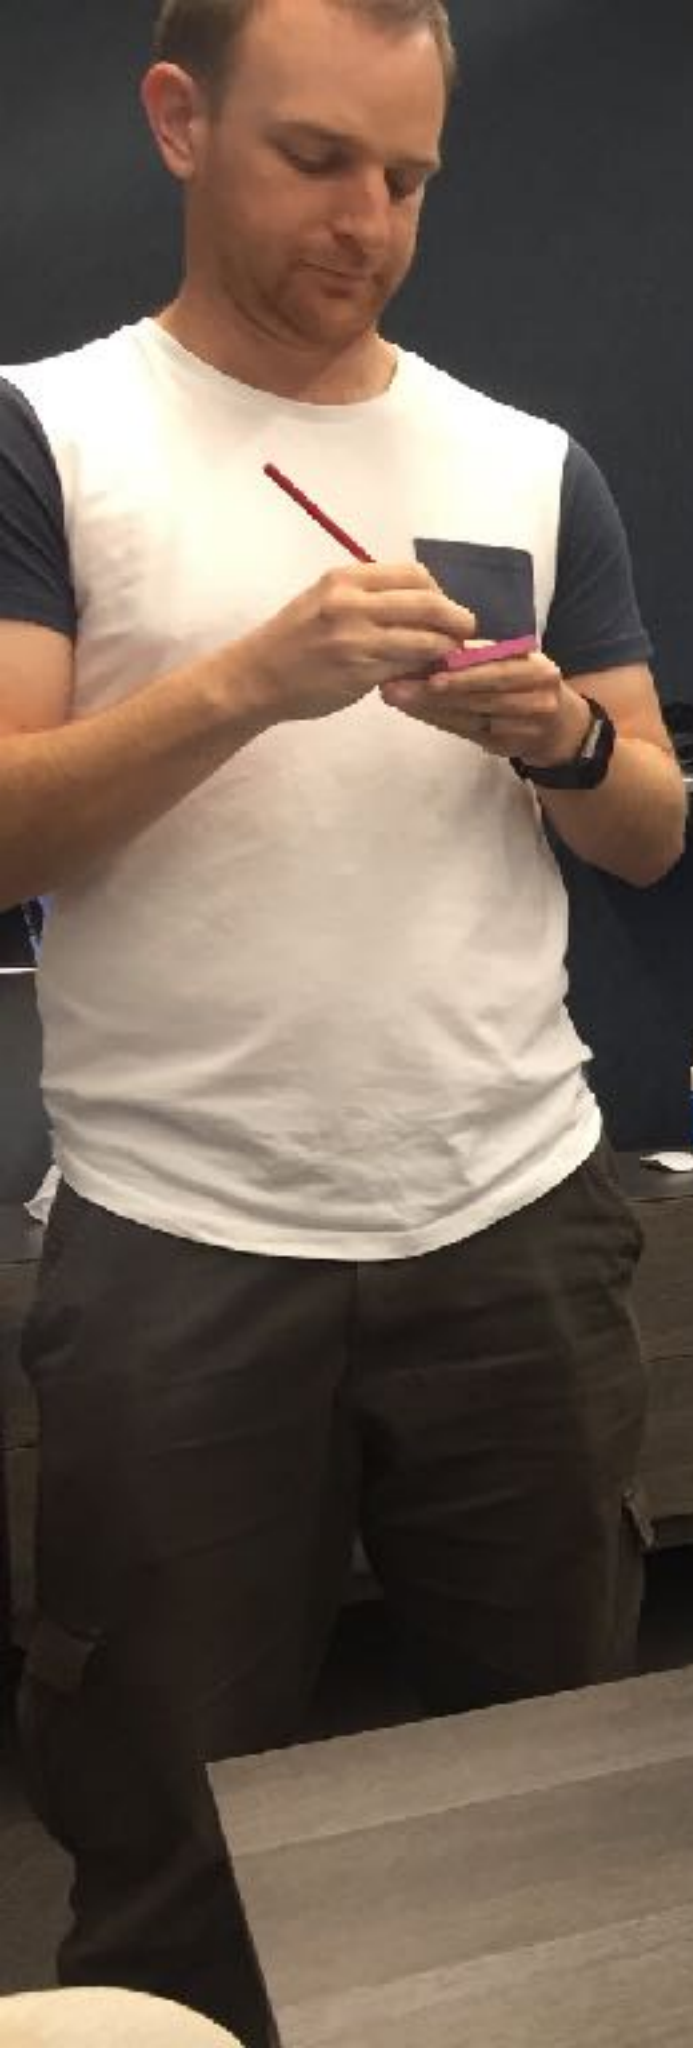

10/10/15
as/somewhere
of/interest
4/10/15-10/15/15
of/interest

How much are
you going to
get

10/10/15
as/somewhere
of/interest
4/10/15-10/15/15
of/interest

10/10/15

Regular meeting
Brown Bag
Invite speakers
Blogging
Discussion group
Survey on Quality

Testing is a craft

Questions?

Dogfooding

Fit your context?

Can get use to
workarounds

Acceptably ugly?

Questions?

Soap opera testing

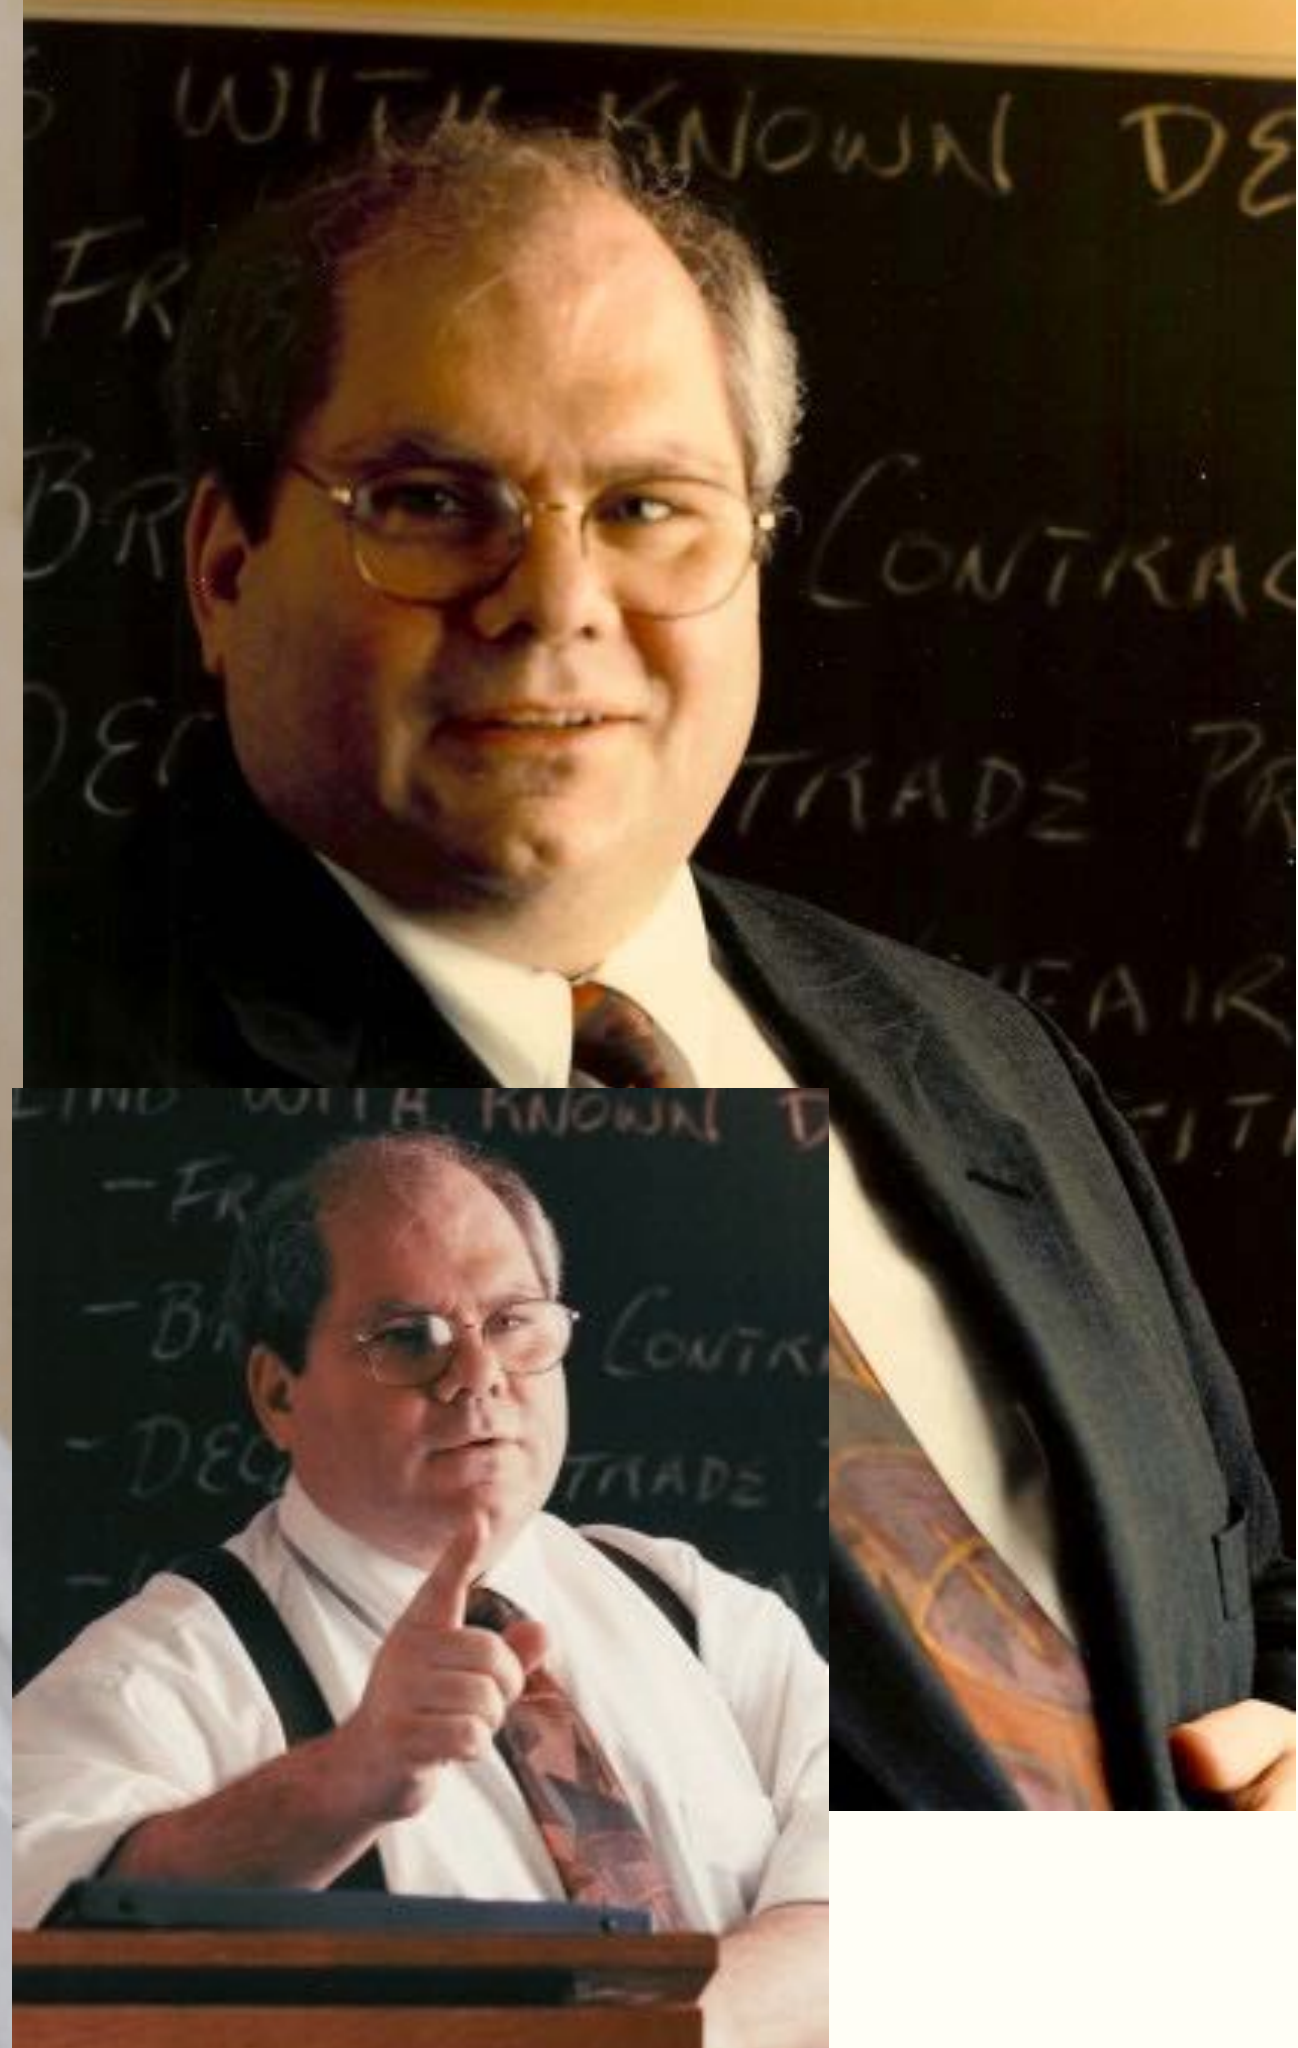

Dramatised

Condensed in time

Engage business

History

Cem Kaner

Scenario Testing

Hans Buwalda

Soap Opera Testing

The Process

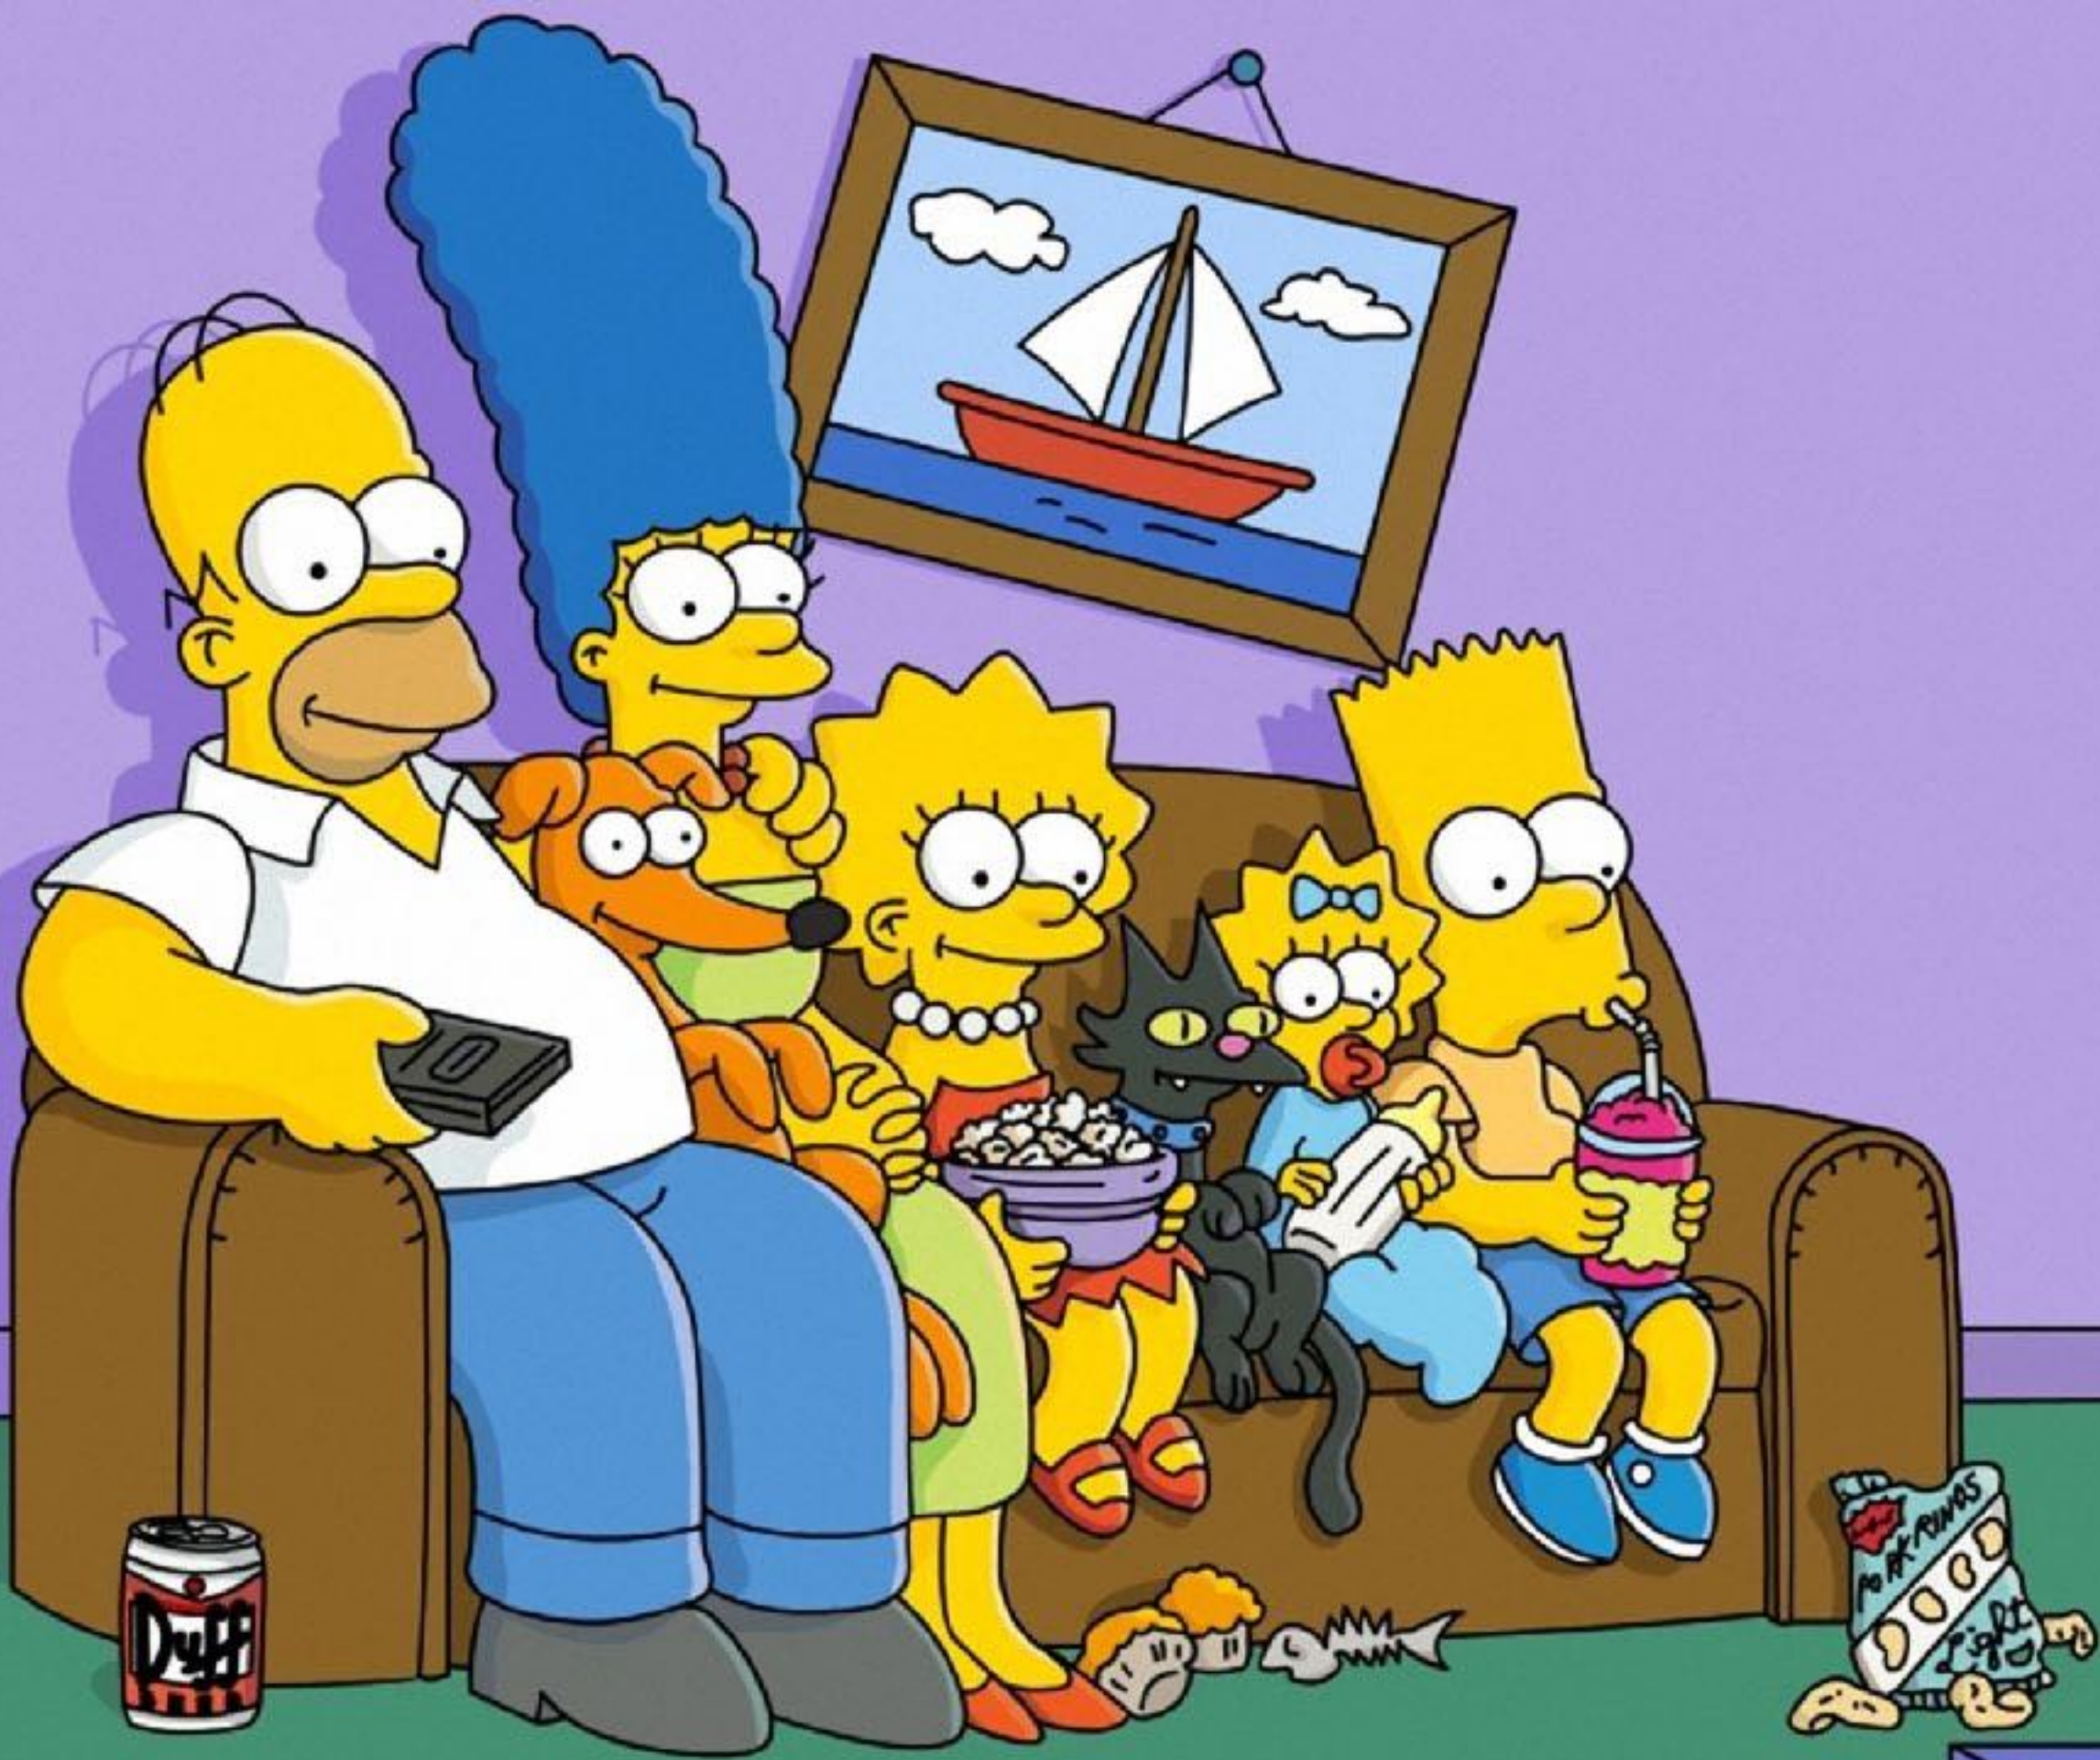

1. Brainstorm

2. Execute

3. Analyse Results

Example

Mortgage Loans

Homer τ Simpson

Investment property

90% paid off

10% deposit

Simpsons: 50% paid off

90% deposit

Down Payment Adjustment

What did we just test?

Rejections

Editing Documents

Multiple applications
for same person

Adjusting deposits

Multiple assets with
different mortgages

different % ownership

different credit ratings

Co-owners not related

Investment property

Rejections

Editing Documents

Multiple applications for same person

Adjusting deposits

Multiple assets with different
mortgages

different % ownership

different credit ratings

Co-owners not related

Investment property
