Series A

2018

OPENVIEW
Series B

perfect

having all the required or desirable elements, qualities, or characteristics; as good as it is possible to be.

There is no further improvement.

**Great product
companies are
always in the
pursuit of
perfection**

We are in the
tech industry

**If perfection
actually existed**

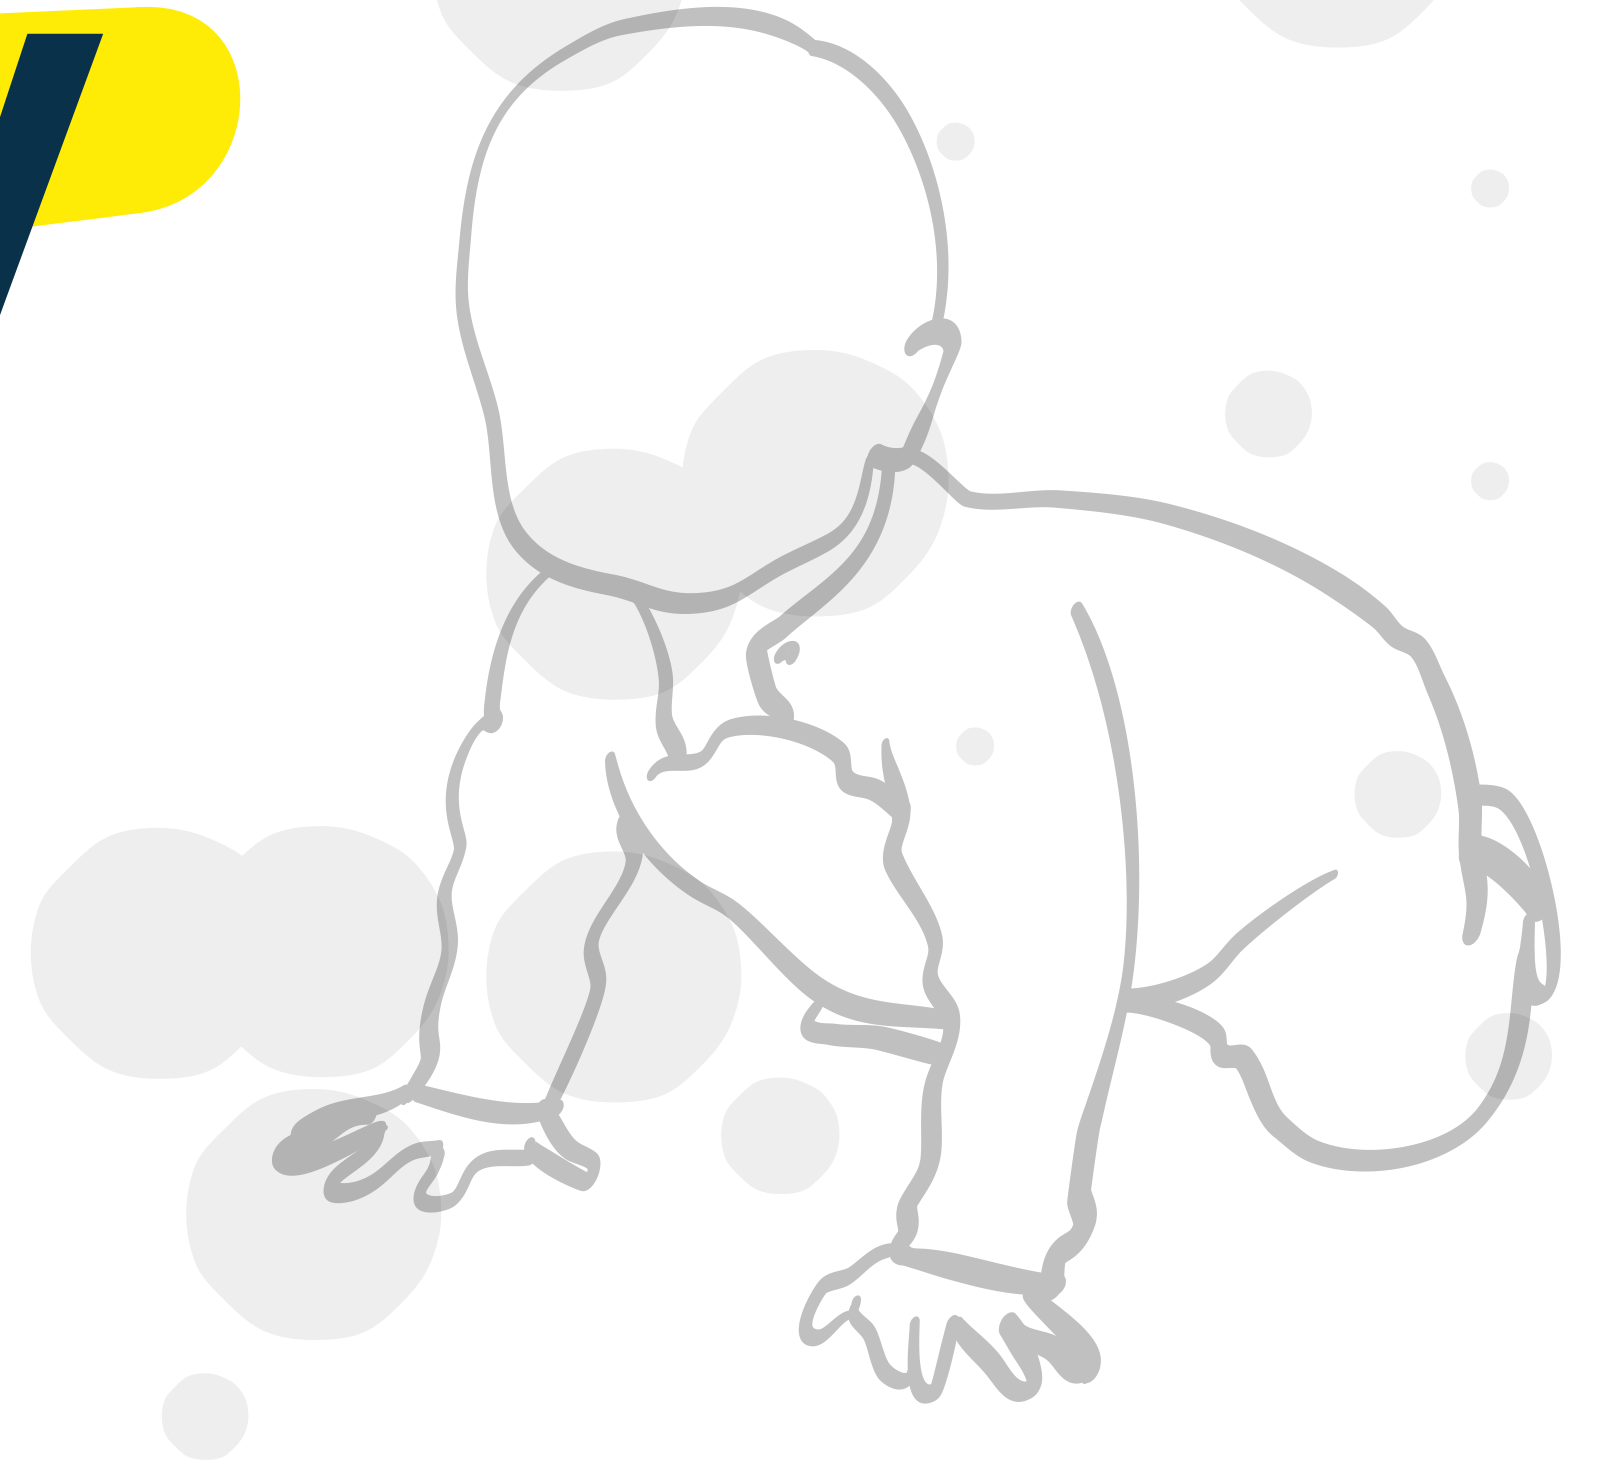

No Tech

Uber

Agile body

Agile mind

Leave
your ego
at the door

Get Over

yourself
ALREADY

$$P = p - i$$

Performance = potential - interference

The Inner Game of Work by Tim Gallwey

**The growth of
your company will
be limited by you**
