## What?

'Agile' is the approach adopted across Australia's leading tech companies encouraging and developing better ways of working. **Activate Agile** is a free afternoon event for students.

## Why attend?

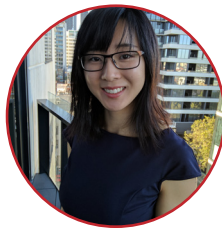

Set yourself apart from other students and understand the Agile approaches that Australia's leading techies are using everyday.

- **Network** with Australia's boss-level companies and discover what they are looking for when they recruit.
- **Hear** how successful organisations work.
- **Discover** how Agile teams build incredible products and foster a culture of welcoming change and valuing individuals.
