

Boost your team's capacity for change at the AgileAus19 Conference, being held at the Hilton Sydney on Tuesday 25 – Wednesday 26 June 2019.

Now in its eleventh year, AgileAus is an annual meeting of curious minds—united by a desire to explore better ways of working. This year's Conference will focus on the Agile mindset: what it is, why it matters, and how we can adopt it across sectors.

Find information on the Conference and what your team can expect to bring back at agileaustralia.com.au

Meet the speakers:

Marty Cagan
